MAKING INVESTABLE

SPONSORING FUNDING

Capital Market Listing

Exchange Listing (Pay-As-You-Go)

Get your company listed in the capital markets in the most cost-effective way by having first your company's qualifications match with the listing suitability of targeted capital market exchanges, then select the preferred choice of the matched exchanges, and finally have your company listing on the selected exchange processed and executed.

Keywords: Traditional-, OTC-, Digital Exchanges

Capital Roadshow

Meetings in Switzerland, USA, China

Meet in person, one-on-one, with various global capital sources to discuss the funding of your company. We guarantee interested capital sources that are qualified from an international network of private and institutional investors from Europe, USA, and Asia, with a combined managed asset value of more than USD \$100bn.

Keywords: 1-on-1, UHNW & HNW, Asset Managers

Digital OTC Listing

Swiss Tracker Option

Access the global capital markets with a listing on BEX, a FSC-regulated digital securities trading platform, to offer your shares digitally, 24/7, to any BEX account holder, and, as a qualified company, offer your digital shares simultaneously also as a tracker issued by a Swiss securities firm to private and institutional investors.

Keywords: OTC, AMC, Digital Security, Swiss Tracker

Virtual Funding Meetings

Global Capital Sources

Meet virtually, one-on-one, with various global capital sources to discuss the funding of your company. We guarantee interested capital sources that are qualified from an international network of private and institutional investors from Europe, USA, and Asia with a combined managed asset value of more than USD \$100bn.
